## Clover Tile - 2" x 2"

---

### Product Details

The Clover tile is part of the Geometric tile family and is produced in solid bronze. This charming tile features our Grout-Through concept where the channels in the surface of the tile are designed to be filled with grout.

Clover Tile (TT560): 2" x 2"

### Finish

Shown in White Bronze Dark (WD)

### Notes

- Our Grout-Through tiles feature recessed "channels" in the surface which are designed to be filled with grout resulting in a unique segmented pattern when installed
