## "X" Tile - 4" x 4"

---

### Product Details

The "X" tile is a truly unique concept. Designed to be inserted into the grout joint this solid bronze tile is a great way to bring a subtle modern look to a project. (Patina finish and grout/stone colors should be contrasting for best results.) Part of the Geometric tile family.

"X" Tile (TT564): 4" x 4"

### Finish

Shown in White Bronze Light (WL)
