1. MODERN FORMS Transitional style meets smart technology with the versatile Wynd smart fan available in four weather-resistant finishes. The LED luminaire, powered by WAC Lighting, takes this design from beautiful to brilliant. The exclusive Modern Forms app makes life easier by suggesting optimized schedules. An efficient DC motor keeps things running smooth and quiet. modernforms.com

2. KERRY JOYCE TEXTILES introduces his refreshingly retro Petaluma textile, hand screened in Los Angeles on the finest Irish linen. Available in eight cool colors, including indigo, water, paprika and moss. kerryjoycetextiles.com

3. ROCKY MOUNTAIN HARDWARE Ore collection bronze cabinet hardware featuring chiseled facets that beg to be grasped. Ore is hand-cast from art-grade bronze and available in a choice of 10 fine finishes. rockymountainhardware.com

4. A JOURNEY TO "INFINITY" Swarovski Lighting's Infinite Aura collection brings brilliance, luxury, and precision to the lighting experience by enabling the user to showcase the chandelier as a work of art through customized light patterns that send a never-ending reflection into infinity and create an illusion of untold beauty. To see more of this exquisite craftsmanship, go to swarovski-lighting.com/infiniteaura

5. BENJAMIN MOORE Century is the world's first Soft Touch Matte paint with a never-before-seen depth of color and a soft touch finish. Century is where color becomes an experience. experiencecentury.com
