A cantilevered chair designed by Martin Ballendat for **Sandler Seating**. Clou's silhouette is emphasized by an innovative integral foam that's durable, water resistant, and soft to the touch. Its base—reinforced with a steel frame—is available in black, white lacquer, or chromium-plated steel. SANDLERSEATING.COM

2

The Suspenders LED system from **Sonneman**, seen here in the Zig Zag configuration, is a modular series of interconnected elements and hanging LED lights. Power bars are suspended at right angles to each other and connected by perpendicular power bar hangers. SONNEMANAWAYOFFLIGHT.COM

3

Inspired by the architecture of the famed Trousdale Estates neighborhood in Beverly Hills—a group of midcentury modern houses that were home to many celebrities in the 1950s and '60s—the Trousdale collection from **Rocky Mountain Hardware** and Kravitz Design features sleek architectural elements with angular profiles and a strong textural effect. ROCKYMOUNTAINHARDWARE.COM

4

The expanded Vino lounge collection from **JANUS et Cie** includes a lounge chair, two-seat sofa, three-seat sofa, and a daybed, which are offered in Lava or Nimbus JANUSfiber woven over a powdercoated aluminum frame. Cushions are made from high-performance, reticulated foam. JANUSETCIE.COM
