The Home Depot

September 20 through Veterans Day marks The Home Depot Foundation's annual Celebration of Service season. For the first time, Team Depot will trade orange for military green to honor and applaud the servicemen and servicewomen who have served us all. We invite THD associates, customers and other participants to join us and choose to serve our nation's heroes. Visit ServeVeterans.com for more information on how you can join and give back to veterans in your community. #CHOOSETOSERVE homedepot.com
