

Looking for the perfect smart lock solution? Now you can pair select Rocky Mountain Hardware collections with Level Bolt, the first invisible smart deadbolt. This unique offering incorporates Level's smart home technology within Rocky Mountain Hardware's hand-crafted solid bronze door hardware, resulting in beautiful and connected architectural hardware that creates a unique, memorable, and secure entry experience.

- Select from the collections pictured here, pair with any lever or knob in a choice of our 12 finish options. (visit www.rockymountainhardware.com to view handle options).
- All technology components are hidden inside the deadbolt pocket behind bronze hardware trim.
- Does not require any wiring through the door frame. Battery powered for easy installation.
- Lock/unlock the door and grant keyless access through smartphone app.
- Level Home app offers comprehensive features including user tracking, permissions, accessibility, and more.
- Compatible with both iOS and Android platforms as well as Apple HomeKit and Ring.
- Comes with standard key.
- Minimum door thickness of 1 3/8" (thicker hardware trim may be required, see website for details).
