

The beauty of bronze combined with the first invisible smart deadbolt.

ROCKY MOUNTAIN  
H A R D W A R E

Powered by  level

**Looking for the perfect smart lock solution?** Now you can pair select Rocky Mountain Hardware collections with Level Bolt, the first invisible smart deadbolt. This unique offering incorporates Level's smart home technology within Rocky Mountain Hardware's hand-crafted solid bronze door hardware, resulting in beautiful and connected architectural hardware that creates a unique, and secure entry experience.

- Compatible with deadbolt/spring latch entry sets. Select any collection, handle, and any of the 12 finish options. (visit [www.rockymountainhardware.com](http://www.rockymountainhardware.com) to view handle and grip options).
- All technology components are hidden inside the deadbolt pocket behind bronze hardware trim.
- Does not require any wiring through the door frame. Battery powered for easy installation.
- Lock/unlock the door and grant keyless access through smartphone app.
- Level Home app offers comprehensive features including user tracking, permissions, accessibility, and more.
- Compatible with both iOS and Android platforms as well as Apple HomeKit and Ring.
- Comes with standard key.
- Minimum door thickness of 1 3/8" (thicker hardware trim may be required, see website for details).
