

- All finishes are priced the same.
- Combinations are shown with L10501 Verdura Lever. Only available with L10501 and L10502 levers.
- Refer to Section U for door preparatory specifications. Call RMH to verify compatibility of each escutcheon with pre-existing door conditions.
- This escutcheon (E10520) is not compatible with a 2 1/8" face bore.
- Specify metal, patina, handing, backset, door thickness, and lock type.
- Combinations available with concealed mount. See up-charge below. (IP203 not available with concealed screws)

| ACTIVE                                                                                                                                                                                                                                                        | DUMMY                                                                                                                                                                                                            | ESCUTCHEON OPTIONS                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
