

HIGH POLISH FINISH DISCLAIMER

All Rocky Mountain Hardware products are available in two high polish finishes: Bronze High Polish (BHP) or White High Polish (WHP). By choosing a high polish finish it will amplify the natural characteristics of cast alloys. All RMH finishes are living finishes and will change with time, touch, climate and use. As each product will be exposed to a varying set of conditions, we do not warranty the finish of our products.

By signing below, I understand that I am purchasing a cast product that has inherent variations in the surface texture which are magnified by high polishing.

Also note that all high polished finishes incur a 30% upcharge as well as a 50% restocking fee if the product is returned.

Please feel free to contact us directly with any additional questions on this matter, 888-788-2013.
