Rocky Mountain Hardware

Designed by Jennifer Hoey of Suede Studio for Rocky Mountain Hardware, Phases is a new versatile kitchen and bath accessories collection that is both functional and beautiful. The scale and lines of each piece relate nicely to each other which enables mixing and matching knobs, pulls, and grips. Rocky Mountain Hardware's expert artisans can customize each piece, and make adjustments to the base design, size variations, finish options, and more.

Designed to have a broad appeal, either individually or as a whole, the Phases collection comprises 5 different pieces, some of which are directional and include various length options, including:

- Pulls and Knobs
- Grip with Exposed Hardware
- Towel Holder
- Hooks
- Toilet Paper Holder with Shelf
