# 2024 Design Trend Report: Ditch Straight Lines for Curvy Decor

Organically shaped accents that look surprisingly sharp.

By Jessica Otte | February 7, 2024 | 10:12 am | Art Courtesy of Vendors

If the organically shaped sofas, tables, and lighting fixtures we're seeing are any indication, furniture is taking new forms in 2024. Embracing soft curves and bends in your interiors is a great way to inject a bit of softness or levity into an overly stark or serious space. Check out this selection of locally found pieces that (quite literally) take the edge off.
